

**NEW YORK
INTERNATIONAL
CHILDREN'S
FILM FESTIVAL**

Film-Ed Field Trips

Now Booking: 2018-2019 School Year

About Film-Ed Field Trips

Field Trip screenings make the full Film Festival experience available to NYC schools through specially curated film programs, audience voting, post-screening discussions and Q&As led by a Festival educator.

The experience provides students with valuable tools in media literacy and promotes cross-cultural awareness.

Teachers are provided with pre-visit and post-visit discussion guides which encourage creativity and critical-thinking through vocabulary, discussion questions and activity prompts.

Venues are easily accessible by public transportation and can accommodate bus drop-off.

Total program runtime is 2 hours. Screenings are available on weekdays from 10am - 12pm.

Program is offered at no cost to Title-One Public and Charter Schools.

Programs
