

**NEW YORK
INTERNATIONAL
CHILDREN'S
FILM FESTIVAL**

School Partnership Program

Become a school partner today!

For 21 years, NYICFF has presented the best in international film for young audiences by showcasing a diverse selection of animated, live-action, documentary, and experimental films from around the world that inspire creativity, and spark meaningful conversations. Each year, we partner with over 100 schools throughout NYC to introduce new communities to the wide world of film.

The Festival takes place over four weekends (Feb 21 - March 15, 2020) at multiple screening venues around NYC and consists of over 100 films from over 30 countries. We select films for each age group from 3 to 18 so there is something for everyone!

The process is simple: before the annual Festival, we deliver Festival brochures and sample email blasts to your school. When families go online to order tickets, we will either provide a discounted ticket price (via a discount code), or a portion of their purchase will be donated back to your PTA at the end of the Festival. Your community will experience eye-opening films and a cultural education matched only by a trip around the world!

Choose the plan which best suits your school's needs:

Fundraising Tickets

- For every ticket sold and attributed to your school, we will donate \$3 to your PTA
- After the festival, we tally up the ticket count and mail you a check
- In 2019, we raised over \$10,000 for NYC schools

Discounted Tickets

- Your school community receives a \$3 discount on Festival tickets via a discount code
- This option is for Title I public schools only
